

RISE AND FALL OF GREEN CITY

CHAPTER 12– OBSERVATIONS

The Readers of Rise and Fall of Green City may have established an opinion of those who “sacrificed” their weekend and just “let their hair down” we might say.

This spreadsheet outlines what activities all the participants may have participated to better society. The projects are defined at the bottom of the spreadsheet. Perhaps, it may be said, that those who work better together know how to play as friends.

There was no intent to insult anyone nor discredit any organization at Green City.
